**Lunchpool** is a new platform that offers attendees the opportunity to participate in a virtual gala with speakers, presentations, entertainment, and more. We have a wonderful program planned, so buy a ticket early. Here are a couple of things that you need to know about Lunchpool.

- It is very easy to use...even easier than Zoom.
- We have 10 important brief training sessions set up starting October 1<sup>st</sup> for Lunchpool Overview/Tech Check
- Only works on a computer or laptop...will not work on a phone or tablet
- Must have Chrome downloaded to your computer. Our Technical support is available to help with downloads.
- Once you purchase a ticket, email confirmation and other information will be sent.

[Click this link](#) to purchase your Gala ticket online direct, or you can conveniently pay for Gala tickets on our website [www.DWCF.org](http://www.DWCF.org) with Master Card, Visa, Discover, Amex or **Personal Check**.
